STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State: Texas

MORE LIBERAL METHODS OF TREATING INCOME
UNDER SECTION 1902(r)(2) OF THE ACT*

 Section 1902(f) State XX Non-Section 1902(f) State

When applying the AFDC 185% gross income test described in 45 CFR 233.20(a)(3)(xiii) in AFDC-related categorically needy cases, all income in excess of 185% of the state's need standard will be excluded.

This is more liberal policy in that it exempts the applicant from the gross income test and requires only that the applicant's net income (after applying allowable deductions) be compared to the AFDC recognizable needs when determining if the applicant is income-eligible.
